Thalasso Wellness

bluesun hotel elaphusa

Thalasso therapy - Thalgo

Complement the concept of bathing in fresh sea water and a wellness & spa oasis programme with a specialised THALGO treatments based on the benefits offered by the sea.

Throughout the last 50 years, THALGO has been a leading cosmetic brand in extracting powerful active molecules from the ocean and using them in professional skin care. To ensure optimal efficacy and visible results, in the centre of each THALGO treatment we find revitalising active components that are in perfect harmony with our skin cells, professional massage techniques and astonishing textures and scents.

I-METRIC face and body skin diagnosis

Book your appointment for the I-METRIC diagnosis and discover the full potential of your skin

I-METRIC diagnosis cca.15' 100,00 kn

Keeping in mind that each skin is unique and its needs are changing, Thalgo developed I-Metric. The first exclusive device for analysis of facial and body skin, equipped with sophisticated sensors and HD cameras for precise diagnostics of individual skin characteristics:

- skin type and texture
- level of hydration
- pore size and sebum quantity
- wrinkle depth and elasticity
- pigmentation variations and redness

Cosmetics for home care

After your wellness indulgence, continue providing the best care for your skin on a daily basis in the comfort of your own home. Contact our wellness therapist for expert diagnosis and recommendation of Thalgo cosmetics for home care.
